

Heart of Oklahoma Arabian Show

Are you on your own at the show?

Is this your first time showing by yourself?

Or

Would just like to have some help during the show?

Well the *Heart of Oklahoma* show has a deal for you!

Often new and/or small exhibitors may feel intimidated by a large Class A show, often finding themselves alone, stalled away from the activity or wedged between larger exhibitors.

We would like to propose combining the stalls, of those that wish to take advantage of this option, in a good location and having some experienced exhibitors available to provide assistance as needed. We would hope that this would make exhibiting at the *Heart of Oklahoma Arabian Show* a great experience for all.

If this option is for you, please circle the "double hearts" located with Stabling Information at the bottom of your Entry Form.
