President's Letter

Hello Members!

Looks like Spring might finally be here. Our first show is almost here, April 13. Hope I will see some new faces there. We always need help.

The club is once again offering to pay for new youth membership dues for the club and AHA. We had lots of fun with different activities last year. Arabian Youth Nationals will be here before you realize it. Amber Morris, the Youth chairperson, has done a great job of planning things. Contact her for info or suggest activities.

Barbara Bowden has worked hard as Treasurer and now is also the ByLaws Study Chair-

person.

Sandy Paschall is the Membership Chairperson and is doing great keeping up with the new members.

A potluck is in the works for September. If you have a suggestion or an activity for the meeting, please let one of us know. After all it is YOUR CLUB.

From your President,

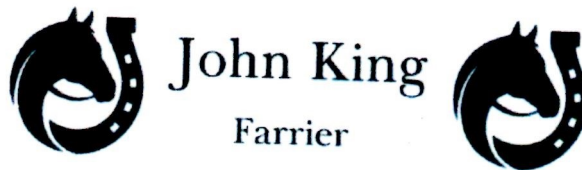

Karla Roth

Condolences: Our club recently lost an amazing advocate for the Arabian Horse and OAHC. Don Rubley was also involved with maintaining and getting events at the Lake Carl Blackwell Trails near Stillwater. An Avid horseman who loved his Arabians, he also competed in the show ring and distance riding. He was also an awesome volunteer at our fun shows. He will be greatly missed.

Lessons from the Herd by Viki Young Powell

Lessons from the Herd: New Beginnings

Mares are heading to the breeding shed. Long awaited foals are finally making their arrival.

Spring is the air. The days are becoming longer and plans are being made for the coming riding season. As every horse owner knows, the season change with our pony's coats. We truly know winter is coming to an end when our curry brushes are filled with hair.

The long night of winter is ending and as we wake from our slumber, we have been given the gift of re-birth. What will we do with our new found gift? We can plant the seeds of kindness with all those we come across and water it with a smile. We can reduce the expectations we have of our horses, allowing them to succeed in just trying their best at a horse show, a trail obstacle or something as simple as standing still for the farrier or vet. Mostly we can show ourselves the love we so richly deserve. For if we do not fill our cups with love and kindness, we will not have enough to share with others, especially those we care about most.

As we make our plans for the upcoming season; be it in the show pen, the dream horseback riding adventure or in the pasture, take the time to love yourself as much as you love your treasured ponies. We are fortunate to be here to enjoy our simple pleasures.

Viki is a current Board member as well as the Club Secretary. Fergie is her chestnut pure-bred Arabian mare.

When training his horse, the rider must repeat over and over again, "I Have Time".

Youth Corner By Amber Morris, Youth Chairperson

Our newest youth member Sydney Burrus is someone worth knowing. I met Sydney earlier this month at a youth motivational clinic using horses in Chickasha. These are just a few things about this special young lady.

Sydney was born in Oklahoma City. She was adopted by her family (Don and Sue Smith) when she was very young.

Sydney has been riding since she was 7 and started jumping by the time she was 10. She has ridden in numerous parades and also rides side saddle.

She is an AP student at Moore High School and got her drivers license just this week!

Sydney rides at Silverwind and that is where she met Wilma, her first Arabian. She was given Wilma and is the proud owner of a spoiled, pampered mare.

Outside of horses Sydney is very active in the civil air patrol and plans on going to the Air Force to get an degree in Engineering. She really wants to become a pilot.

Welcome Sydney when you meet her at the Open Show in April! She and Wilma have already made plans to be there!

Editor's Note: We plan to highlight and introduce each one of our youth members here and request that you send things you are involved in to include in our newsletter.

NOTE: CURRENT ORIGINAL COGGINS MUST ACCOMPANY "ALL" HORSES AND MUST BE SHOWN AT OFFICE
